

For the Add-in in Excel we need some Icons. The Excel version is 2007 and 2010. The icons have to blend in with the icons in Excel 2007 and 2010.

Please don't look at the design at the icons we use right now – they are only standard demo icons and don't represent the look we want.

As it is right now they need these icons – 19 pic:

- Login and Logout
- Settings
- *Dashboard (No icon just for Dashboard)*
 - Show Dashboard
 - Complex Query
 - Update Table
- Finance
- Debtors
- Creditors
- *Invoices (No icon just for Invoices)*
 - Query Invoices
 - Query Invoice Lines
- Products
- Orders
- Help

Icon Format

The icons has to be delivered in GIF format and Windows ICO format

Excel icons – just to compare with
